WINEMAKER B-1-4

ALCOHOL 12.5%

TOTAL ACIDITY 6.04

TOTAL SUGAR 0.83

PH 3.53

HARVEST

2020 was characterized by a rainy winter and a mild spring allowing good budding and healthy flowering, but right from the start showing that there would be low fruiting. The months of June, July and August were dry and sunny. In September there was some precipitation, which did not influence the quality of the grapes. **Production** - Low

VINIFICATION

Made from a blend of white native grape varieties (70%) and various European grape varieties (30%). After careful selection of the grapes, fermentation took place in stainless steel vats at a controlled temperature of 15°C. Aged on fine lees for 4 months, after which the wine was bottled.

TASTING NOTES

Greenish yellow color. In the aroma, notes of tropical and citric fruits stand out, involved in a beautiful volcanic set. In the mouth it has volume, a lot of freshness and minerality. It has an enveloping, salty and persistent finish.
